Miscellaneous Tariff Bill

Final Disclosure Form

Part I: Type of Disclosure

This form is being submitted for H.R. 4985 as a disclosure submitted reflecting information provided through MTB public comment period and the International Trade Commission's Congressional Bill Report.

Part II: Written Statement

Member Name: Earl Blumenauer

A. □ Is the tariff relief specified in this Miscellaneous Tariff Bill available to any entity that imports and pays duties pursuant to this tariff heading? If not, why?

Yes.

Please list any known entities currently importing under the tariff heading specified in the Miscellaneous Tariff Bill, including those listed in the Preliminary Disclosure Form, ITC Congressional Bill Report, and any public comments: (if additional space is required, please attach with this form)

Adidas is planning imports of the products. None of the US textile groups canvassed by the USITC claimed they had a like or competing product. For instance, NCTO wrote, "I don't see why this can't be made in the US or the region," while Milliken wrote, "We do not at this time incorporate electrodes." Objections to the legislation are hypothetical or related to other inputs and ignore the integrated heart rate electrode, which is the central feature of the good.

B. □ Does the tariff relief specified in this Miscellaneous Tariff Bill benefit downstream producers, manufacturers, purchasers, and consumers?

Yes. Consumers.

Part III: Financial Benefit Certification

I hereby certify that neither myself nor my spouse has a financial interest in any entity named in Part II.A above.
