

Committee on Ways and Means
Changes to H.R. 4418, as reported by the Subcommittee on Trade
As included in Chairman Thomas's Amendment in the Nature of a Substitute

p. 12, line 17
through p. 13,
line 19

Require the Commissioner of Customs to report to Congress no later than September 30 of each of the calendar years 2005 and 2006 on the effectiveness of the One Face at the Border Initiative at enhancing security and facilitating trade, the breakdown of personnel, the training provided to each employee for the various training components of the One Face at the Border Initiative, and the steps taken by CBP to ensure that expertise is retained with respect to customs, immigration, and agriculture inspection functions under the One Face at the Border Initiative.
