Dear Representatives Johnson and Becerra and Senators Hatch and Wyden,

On behalf of the 1.2 million members of AMAC, the Association of Mature American Citizens, I am writing in strong support of the "No Social Security for Nazis Act." This critical bipartisan, bicameral bill is needed to address a loophole in the law that has enabled Holocaust perpetrators to wrongly collect Social Security benefits at the expense of American taxpayers and seniors.

The World must never forget the atrocities committed by the Nazis or the millions of innocent Jews that were callously murdered during the Holocaust. For that reason, Congress has a responsibility to ensure that war criminals no longer benefit from U.S. government programs. Therefore, the "No Social Security for Nazis Act" justly amends the Social Security Act and puts an end to Nazis receiving Social Security payouts.

On a broader scale, AMAC believes it is imperative for Congress to continue to protect Social Security for rightful beneficiaries. Mature Americans and seniors overwhelmingly depend on Social Security to help supplement their retirement income; yet, according to the Trustees of Social Security, the program remains at risk of becoming insolvent by 2030. Clearly, Social Security cannot sustain its current fiscal path without comprehensive reform. AMAC strongly urges Congress to take immediate action to save Social Security and to guarantee its existence for future generations of hard-working Americans.

Although Social Security as a whole is in need of real legislative attention, AMAC is proud to see Congress working together on this particular issue to right a terrible wrong. Thanks to your concern for this significant matter, AMAC is pleased to support the "No Social Security for Nazis Act."

Sincerely,
Dan Weber
President and Founder of AMAC
