Dear Chairman Camp and Ranking Member Levin:

In a letter dated June 22, 2012, the American Manufacturing Trade Action Coalition (AMTAC) expressed opposition to H.R. 3923, a bill which would temporarily suspend duties relating to certain dyed cotton fabric with pinked edges (2" w x 8" l) (provided for in subheading 6307.90.98).

Upon further discussions with the bill's proponent and our membership, AMTAC agrees to withdraw our opposition to H.R. 3923 at this time.

Thank you for your consideration in this matter. Please contact us with any questions.

Sincerely,

Augustine Tantillo  
Executive Director
