

Dear Rep Adrian Smith and Rep John Larson,

I am writing to ask that the Financial Services Tax Committee of the Ways & Means Committee for Tax Reform to repeal or revise the Foreign Account Tax Compliance Act (FATCA) that is destroying the community of Americans working overseas.

As one of nearly 7 million American citizens living, working and voting from abroad, and contributing to the economic growth of the U.S. economy, FATCA legislation along with FBAR (Foreign Bank Account Report) is having serious negative consequences for those of use working abroad and for the US economy.

Please repeal or revise FATCA and please seriously consider the RBT proposal submitted by American Citizens Abroad (ACA). A move towards a residence-based system, like the rest of the world, would resolve the issues of FATCA and FBAR while creating a simpler and fairer system for Americans living abroad and increasing more tax revenue than the current system, which wastes compliance resources for very little return.

Yours sincerely,

Rebeka Burnett
