**Final Disclosure Form**

**Part I: Type of Disclosure**

This form is being submitted for H.R. 2813 as a disclosure submitted reflecting information provided through MTB public comment period and the International Trade Commission's Congressional Bill Report.

**Part II: Written Statement**

Member Name: Joseph Courtney

- A.  Is the tariff relief specified in this Miscellaneous Tariff Bill available to any entity that imports and pays duties pursuant to this tariff heading? If not, why?

H.R. 2813 addresses an oversight in the U.S. tariff schedule whereby important tariff lines covering imported milk protein concentrates, casein, and caseinates were not treated in a similar manner to other comparable dairy tariff lines such as those for milk powders. H.R. 2813 seeks to remedy this oversight in a trade-compliant manner through the use of U.S. GATT rights. The benefits of H.R. 2813 are not limited to a single entity and would be shared broadly by the U.S. dairy industry.

Please list any known entities currently importing under the tariff heading specified in the Miscellaneous Tariff Bill, including those listed in the Preliminary Disclosure Form, ITC Congressional Bill Report, and any public comments: (if additional space is required, please attach with this form)

Unknown

- B.  Does the tariff relief specified in this Miscellaneous Tariff Bill benefit downstream producers, manufacturers, purchasers, and consumers?

YES

**Part III: Financial Benefit Certification**

I hereby certify that neither myself nor my spouse has a financial interest in any entity named in Part II.A above.
