The Honorable Phil Crane
Chairman
Subcommittee On Trade
1104 Longworth House Office Building
Washington, D.C. 20515

Dear Phil:

I am writing in response to your request for public comments and information regarding miscellaneous trade bills. As you know, I have introduced several duty suspension bills (H.R. 4248 through H.R. 4261) on behalf of Syngenta Corporation and encourage your favorable consideration of this legislation.

Per your request, I have enclosed information describing the products for which duties would be suspended, their uses, sources of manufacturing, and any other available information verifying that there is no domestic production of these chemicals.

Thank you for your consideration of this request. If you have additional questions, please do not hesitate to contact me directly or my Legislative Director, Missy Branson, at x53065.

Sincerely,

HOWARD COBLE
Member of Congress
