7 **SEC. 2. FINDINGS.**

8 The Congress finds as follows:

1 (1) Foster care should be a temporary, short-  
2 term placement for children until they can be reuni-  
3 fied with their parents or placed with a safe, adop-  
4 tive family. However, the 532,454 children in foster  
5 care on September 30, 2002, have been in foster  
6 care for an average of almost 3 years (32 months).

7 (2) At the end of fiscal year 2002, the case  
8 plan goal for over 34,000 foster care children was to  
9 remain in foster care until they turned 18. These  
10 children will leave the foster care system without the  
11 stability and permanency of a family.

12 (3) Since 1995, the number of children adopted  
13 with child welfare agency involvement has more than  
14 doubled from 25,693 to 52,546 in 2002. Despite this  
15 achievement, there were 129,262 children waiting to  
16 be adopted on September 30, 2002. On average,  
17 these children have been waiting in foster care for  
18 almost 4 years (44 months).

19 (4) On March 26, 2004, the Department of  
20 Health and Human Services completed an initial re-  
21 view in every State of their child welfare programs.  
22 No State passed this review which assessed whether  
23 States were in compliance with Federal requirements  
24 to ensure the safety, permanency, and well-being of  
25 vulnerable children.

1           (5) On May 18, 2004, the nonpartisan Pew  
2           Commission on Children in Foster Care composed of  
3           former Members of Congress of both parties and  
4           other child welfare experts recommended overhauling  
5           the Nation's foster care system to provide States a  
6           flexible, reliable source of Federal funding, as well  
7           as new options and incentives to seek safety and per-  
8           manence for children in foster care.

9   **SEC. 3. REFERENCES.**

10          Except as otherwise expressly provided, wherever in  
11          this Act an amendment or repeal is expressed in terms  
12          of an amendment to, or repeal of, a section or other provi-  
13          sion, the amendment or repeal shall be considered to be  
14          made to a section or other provision of the Social Security

9 “(ii) the total number of such children in  
10 all States so specified; and

11 “(2) the amount (if any) that the Secretary is

21 to the amount by which the sum described in  
22 section 428(d)(2) exceeds the total of the  
23 amounts allotted for the fiscal year under sub-  
24 paragraph (A), as the number of children in the  
25 tribe who have not attained 21 years of age

1 bears to the total number of such children in all  
2 Indian tribes.

3 “(2) DETERMINATION OF THE NUMBER OF  
4 CHILDREN IN A TRIBE.—In determining the number  
5 of children in an Indian tribe who have not attained

15 **“SEC. 424. SAFE CHILDREN, STRONG FAMILIES GRANTS.**

23 and from any amounts subject to an election by the State  
24 under section 474(g)(3)(A)(ii) with respect to the fiscal

2 retary, subject to section 425, a grant in an amount equal  
3 to the lesser of—

24 estimate the amount to be paid to the State or In-

1       dian tribe, as the case may be, for the period under  
2       this section.

3               “(2) From the allotment available therefor, the  
4       Secretary shall pay the amount so estimated, re-  
5       duced or increased, as the case may be, by any sum  
6       (not previously adjusted under this section) by which  
7       the Secretary finds that the estimate of the amount  
8       to be paid the State or Indian tribe, as the case may  
9       be, for any prior period under this section was great-  
10      er or less than the amount which should have been

21      case may be.

22               “(2) REQUIREMENT THAT FUNDS BE SPENT  
23      FOR CHILD WELFARE SERVICES.—A State or Indian

3       **“SEC. 425. MAINTENANCE OF EFFORT.**

4       “The Secretary shall reduce the amount otherwise  
5       payable to a State or Indian tribe under this part for a  
6       particular fiscal year by the amount (if any) by which the  
7       total amount of qualified expenditures of the State or  
8       tribe, as the case may be, from State and local sources  
9       or from tribal sources, as the case may be, in fiscal year  
10      2003 exceeds the total amount of qualified expenditures

13      **“SEC. 426. FUNDING FOR STATE COURTS TO ASSESS AND**

17      grants, in accordance with this section, to the highest

19      part E, for the purpose of enabling such courts—

20                   “(1) to conduct assessments, in accordance with  
21                   such requirements as the Secretary shall publish, of  
22                   the role, responsibilities, and effectiveness of State  
23                   courts in carrying out State laws requiring pro-

1           “(A) that implement this part and part E;

2           “(B) that determine the advisability or ap-  
3 propriateness of foster care placement;

4           “(C) that determine whether to terminate  
5 parental rights; and

6           “(D) that determine whether to approve  
7 the adoption or other permanent placement of  
8 a child; and

9           “(2) to implement improvements the highest  
10 state courts deem necessary as a result of the as-  
11 sessments, including—

16           “(B) to establish performance measures  
17 that track court performance with regards to  
18 ensuring safety, permanency, and well-being for  
19 children;

20           “(C) to implement a corrective action plan,  
21 as necessary, resulting from reviews of child  
22 and family service programs under section

24           “(b) APPLICATIONS.—In order to be eligible for a  
25 grant under this section, a highest State court shall sub-

1 mit to the Secretary an application at such time, in such  
2 form, and including such information and assurances as  
3 the Secretary shall require.

4 “(c) ALLOTMENTS.—

5 “(1) IN GENERAL.—Each highest State court  
6 which has an application approved under subsection  
7 (b), and is conducting assessment and improvement  
8 activities in accordance with this section, shall be en-  
9 titled to payment, for each of fiscal years 2005  
10 through 2014, from the amount reserved pursuant

12 of \$85,000 plus the amount described in paragraph  
13 (2) of this subsection for the fiscal year.

14 “(2) FORMULA.—The amount described in this  
15 paragraph for any fiscal year is the amount that

17 ant to section 428(d)(3) for the fiscal year (reduced  
18 by the dollar amount specified in paragraph (1) of  
19 this subsection for the fiscal year) as the number of  
20 individuals in the State who have not attained 21  
21 years of age bears to the total number of such indi-  
22 viduals in all States the highest State courts of  
23 which have approved applications under subsection  
24 (b) of this section.

1       “(d) FEDERAL SHARE.—Each highest State court

5 through 2014.

6       **“SEC. 427. EVALUATIONS; RESEARCH; TECHNICAL ASSIST-**  
7                                   **ANCE; CHILD WELFARE TRAINEESHIPS.**

10              ate and report to the Congress biennially on the ef-  
11              fectiveness of the programs carried out pursuant to  
12              this part in accomplishing the purposes of this part,  
13              and may evaluate any other Federal, State, or local  
14              program, regardless of whether federally assisted,  
15              that is designed to achieve the same purposes as the  
16              program under this part, in accordance with criteria  
17              established in accordance with paragraph (2).

20 topics for research and evaluation under this subsection,  
21 using rigorous evaluation methodologies where feasible:

22 “(1) Promising program models in the service  
23 categories specified in paragraphs (1), (3), (4), and  
24 (9) of section 430(a), particularly time-limited reuni-  
25 fication services and postadoption services.

1           “(2) Multi-disciplinary service models designed  
2           to address parental substance abuse and to reduce

14          “(e) FEDERAL OVERSIGHT OF TRIBAL ACTIVI-  
15          TIES.—

16                 “(1) FEDERAL ROLE.—The Secretary shall pro-  
17                 vide oversight (which may include on-site reviews)  
18                 with respect to the implementation of tribal plans  
19                 approved under this part and part E.

20                 “(2) TRIBAL ROLE.—An Indian tribe carrying

7           “(f) GRANTS FOR TRAINING.—The Secretary may  
8           make grants to public or other nonprofit institutions of

18                   “(1) provides assurances that each individual  
19          who receives a stipend with such traineeship (in this  
20          subsection referred to as a ‘recipient’) agrees—

2           equivalent to the period of the traineeship, in a  
3           public or private nonprofit child welfare agency  
4           in any State, within a period of time (deter-  
5           mined by the Secretary in accordance with reg-  
6           ulations) after completing the postsecondary  
7           education for which the traineeship was award-  
8           ed;

9           “(C) to furnish to the institution and the

12          “(D) if the recipient fails to comply with  
13          subparagraph (A) or (B) and does not qualify  
14          for any exception to this subparagraph which  
15          the Secretary may prescribe in regulations, to  
16          repay to the Secretary all (or an appropriately

18          plus interest, and, if applicable, reasonable col-  
19          lection fees (in accordance with regulations pro-  
20          mulgated by the Secretary); and

21          “(2) provides assurances that the institution  
22          will—

23                 “(A) enter into agreements with child wel-  
24                 fare agencies for onsite training of recipients;

1           “(B) permit an individual who is employed  
2           in the field of child welfare services to apply for

7           for the 3-year period that begins on the date  
8           any recipient completes a child welfare services  
9           program of study, tracks the employment  
10          record of the recipient, for the purpose of deter-  
11          mining the percentage of recipients who secure  
12          employment in the field of child welfare services  
13          and remain employed in the field.

14   **“SEC. 428. FUNDING.**

10 until expended.

11          “(d) FUNDS FOR TERRITORIES, INDIAN TRIBES,  
12 COURTS, AND OTHER PURPOSES.—For each fiscal year,  
13 from the amount specified in subsection (a) of this section,

16 **“SEC. 429. GRANTS FOR PROGRAMS FOR MENTORING CHIL-**  
17 **DREN OF PRISONERS.**

18 “(a) **FINDINGS AND PURPOSE.**—

19 “(1) **FINDINGS.**—

20 “(A) In the period between 1991 and  
21 1999, the number of children with a parent in-  
22 carcerated in a Federal or State correctional fa-  
23 cility increased by more than 100 percent, from  
24 approximately 900,000 to approximately  
25 2,000,000. In 1999, 2.1 percent of all children

1 in the United States had a parent in Federal or  
2 State prison.

3 “(B) Prior to incarceration, 64 percent of  
4 female prisoners and 44 percent of male pris-  
5 oners in State facilities lived with their children.

6 “(C) Nearly 90 percent of the children of  
7 incarcerated fathers live with their mothers,  
8 and 79 percent of the children of incarcerated  
9 mothers live with a grandparent or other rel-  
10 ative.

11 “(D) Parental arrest and confinement lead  
12 to stress, trauma, stigmatization, and separa-  
13 tion problems for children. These problems are  
14 coupled with existing problems that include pov-  
15 erty, violence, parental substance abuse, high-  
16 crime environments, intrafamilial abuse, child  
17 abuse and neglect, multiple care givers, and/or  
18 prior separations. As a result, these children  
19 often exhibit a broad variety of behavioral, emo-  
20 tional, health, and educational problems that  
21 are often compounded by the pain of separa-  
22 tion.

23 “(E) Empirical research demonstrates that  
24 mentoring is a potent force for improving chil-  
25 dren’s behavior across all risk behaviors affect-

1           ing health. Quality, one-on-one relationships  
2           that provide young people with caring role mod-  
3           els for future success have profound, life-chang-  
4           ing potential. Done right, mentoring markedly  
5           advances youths' life prospects. A widely cited  
6           1995 study by Public/Private Ventures meas-  
7           ured the impact of one Big Brothers Big Sis-  
8           ters program and found significant effects in  
9           the lives of youth—cutting first-time drug use  
10          by almost half and first-time alcohol use by  
11          about a third, reducing school absenteeism by  
12          half, cutting assaultive behavior by a third, im-  
13          proving parental and peer relationships, giving  
14          youth greater confidence in their school work,  
15          and improving academic performance.

16           “(2) PURPOSE.—The purpose of this section is  
17          to authorize the Secretary to make competitive  
18          grants to applicants in areas with substantial num-  
19          bers of children of incarcerated parents, to support  
20          the establishment or expansion and operation of pro-  
21          grams using a network of public and private commu-  
22          nity entities to provide mentoring services for chil-  
23          dren of prisoners.

24           “(b) DEFINITIONS.—In this section:

1           “(1) CHILDREN OF PRISONERS.—The term  
2           ‘children of prisoners’ means children one or both of  
3           whose parents are incarcerated in a Federal, State,  
4           or local correctional facility. The term is deemed to  
5           include children who are in an ongoing mentoring  
6           relationship in a program under this section at the  
7           time of their parents’ release from prison, for pur-  
8           poses of continued participation in the program.

9           “(2) MENTORING.—The term ‘mentoring’  
10          means a structured, managed program in which chil-  
11          dren are appropriately matched with screened and  
12          trained adult volunteers for one-on-one relationships,  
13          involving meetings and activities on a regular basis,  
14          intended to meet, in part, the child’s need for in-  
15          volvement with a caring and supportive adult who  
16          provides a positive role model.

17          “(3) MENTORING SERVICES.—The term ‘men-  
18          toring services’ means those services and activities  
19          that support a structured, managed program of  
20          mentoring, including the management by trained
