The Honorable Bill Thomas
Chairman
U.S. House Ways and Means Committee
Washington, DC

Dear Chairman Thomas:

EMERSON strongly supports H.R. 4520, The American Jobs Creation Act of 2004.

We applaud your work, and the efforts of many of your colleagues, in putting together this important legislation.

H.R. 4520 will provide strong incentives for job creation among U.S. manufacturers, make long over-due changes to our international tax laws, bring the U.S. into compliance with the WTO, and end EU sanctions on numerous U.S. products. These are significant accomplishments.

EMERSON is communicating now with Members of Congress urging prompt passage of H.R. 4520, both in committee and on the floor of the U.S. House of Representatives.

Sincerely,

Robert McDonald
Vice President, Government Affairs
EMERSON
