Bruce N. Whitman
President

June 10, 2004

The Honorable William M. Thomas
U.S. House of Representatives
Washington, D.C. 20515-0522

Dear Representative Thomas:

On behalf of everyone at FlightSafety International, I wish to extend our thanks and appreciation for your support of the bonus depreciation placed-in-service date extension in the Jumpstart Our Business Strength (JOBS) legislation.

Bonus depreciation has been a key factor in the increase in new general aircraft purchases and has favorably affected job retention, hiring and prevented layoffs.

Once more, thank you for your help.

All the best.
