The Honorable William Thomas
Chairman
Committee on Ways and Means
1102 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Thomas:

On behalf of Jackson National Life Insurance Company, we are writing to express our support for H.R. 4520, the "American Jobs Creation Act of 2004." This legislation represents a balanced approach which ensures that the United States is in compliance with the World Trade Organization's (WTO) ruling, in addition to promoting the United States' competitiveness.

Jackson National Life Insurance Company, headquartered in Lansing, Michigan, is one of America's largest life insurance companies specializing in fixed, indexed, and variable annuities. We urge the Committee on Ways and Means and the full House to pass this legislation expeditiously and begin work on reconciling the differences between the House-passed and Senate-passed versions of the bill.

Thank you again for your leadership on this issue and we offer our support for prompt passage of this important legislation.

Sincerely,

A handwritten signature in black ink, appearing to read "John H. Brown".
