President

**June 10, 2004**

**The Honorable William M. Thomas**  
**Chairman, House Ways and Means Committee**  
**U.S. House of Representatives**  
**Washington, DC 20515**

**Dear Chairman Thomas:**

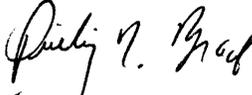

**On behalf of the National Automobile Dealers Association, its more than 20,000 members and their one million employees, I am writing to commend you for your efforts to move H.R. 4520, the American Jobs Creation Act of 2004, through the House of Representatives. We believe it is extremely important that this legislation be sent to the President this year, and House passage is a critical step that must be taken soon.**

**Not only is the legislation necessary to end increasing sanctions on American products and provide tax relief for U.S. manufacturers, the legislation also provides an opportunity to address other tax measures important to small, community-based businesses, like retail automobile dealers, that provide economic stimulus to local economies throughout the nation.**

**Unless the House passes H.R. 4520 there is unlikely to be another opportunity for a conference to consider the important provisions contained in H.R. 4520 and in the Senate passed S. 1637. For this reason we appreciate your tireless efforts to move this legislation forward.**

**Thank you for your continued leadership on these important national issues and your dedication to public policy that stimulates the economy and provides job growth. We appreciate the opportunity to work with you and your staff and look forward to continuing to do so on this, and future, economic growth legislation.**

Sincerely,

  
**Phillip D. Brady**
