B.  Does the tariff relief specified in this Miscellaneous Tariff Bill benefit downstream producers, manufacturers, purchasers, and consumers? This technical correction bill does not provide "relief" but clarifies the tariff classification of carpet cleaners to prevent a tariff rate increase following the adoption of an Explanatory Note by the WCO. As such, it will benefit retailers and consumers/purchasers of carpet cleaners.

**Part III: Financial Benefit Certification**

I hereby certify that neither myself nor my spouse has a financial interest in any entity named in Part II.A above.
