Part II: Written Statement

Member Name: Rep. Blaine Luetkemeyer (R-9-MO)

- A. Is the tariff relief specified in this Miscellaneous Tariff Bill available to any entity that imports and pays duties pursuant to this tariff heading? If not, why?

Yes

Please list the name and contact information for any known entities currently importing under the tariff heading specified in the Miscellaneous Tariff Bill:

Bayer CropScience, LP
2 T.W. Alexander Drive
Research Triangle Park, NC 27709
Jean Reimers

Jean.reimers@bayer.com

- B. Does the tariff relief specified in this Miscellaneous Tariff Bill benefit downstream producers, manufacturers, purchasers, and consumers?

Yes, it will reduce the cost of a valuable import that is not available in the United States, and contribute to the economic health and security of jobs at a manufacturing facility in Missouri. The final product is widely used by American agriculture and these products allow U.S. farmers to address pest and plant diseases. By controlling these pests, they are more cost-competitive and economically sustainable.

Part III: Financial Benefit Certification

I hereby certify that neither myself nor my spouse has a financial interest in any entity named in Part II.A above.
