- A. Is the tariff relief specified in this Miscellaneous Tariff Bill available to any entity that imports and pays duties pursuant to this tariff heading? If not, why?

Yes

Please list the name and contact information for any known entities currently importing under the tariff heading specified in the Miscellaneous Tariff Bill:

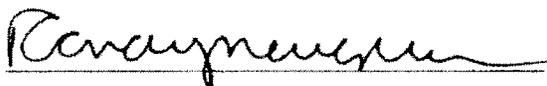

Bayer CropScience, Jean Reimers, 701 Pennsylvania Ave NW, Suite 720, Wash. DC 20004

- B. Does the tariff relief specified in this Miscellaneous Tariff Bill benefit downstream producers, manufacturers, purchasers, and consumers?

Yes, it will reduce the cost of a valuable import that is not available in the United States, and contribute to the economic health and security of jobs at a facility in Texas. The final product is widely used by American agriculture and these products allow U.S. farmers to address pest and plant diseases. By controlling pests, farmers will be able to achieve higher yields with their crops and be more cost-competitive.
