Miscellaneous Tariff Bill

Preliminary Disclosure Form

Part I: Type of Disclosure

This form is being submitted for H.R. 4680 as a disclosure accompanying the introduction of a bill.

Part II: Written Statement

Member Name: Rep. Jim Costa (D-20-CA)

A. Is the tariff relief specified in this Miscellaneous Tariff Bill available to any entity that imports and pays duties pursuant to this tariff heading? If not, why?

Yes

Please list the name and contact information for any known entities currently importing under the tariff heading specified in the Miscellaneous Tariff Bill:

Bayer CropScience, Jean Reimers, 701 Pennsylvania Ave NW, Suite 720, Wash. DC 20004

B. Does the tariff relief specified in this Miscellaneous Tariff Bill benefit downstream producers, manufacturers, purchasers, and consumers?

Yes, it will reduce the cost of a valuable import that is not available in the United States, and contribute to the economic health and security of jobs at facilities in California. The final product is widely used by American agriculture and these products allow U.S. farmers to address pest and plant diseases. By controlling these pests, they are more cost-competitive and economically sustainable.

Part III: Financial Benefit Certification

I hereby certify that neither myself nor my spouse has a financial interest in any entity named in Part II.A above.
