B.  Does the tariff relief specified in this Miscellaneous Tariff Bill benefit downstream producers, manufacturers, purchasers, and consumers?

Yes, it will reduce the cost of a valuable import that is not available in the United States, and contribute to the economic health and security of jobs at a manufacturing facility in Missouri. The final product is widely used by American agriculture and the tariff reduction will allow US farmers to be more cost competitive.

**Part III: Financial Benefit Certification**

I hereby certify that neither myself nor my spouse has a financial interest in any entity named in Part II.A above.
