Dear Chairman Camp and Ranking Member Levin:

This letter is submitted on behalf of the American Foundry Society (AFS) in connection with our July 20, 2012 Statements of Opposition to the following five pending duty suspension bills covering golf club driver heads:

- ***HR 5551 - To reduce temporarily the duty on golf club driver heads***
- ***HR 5553 - To reduce temporarily the duty on golf club iron heads***
- ***HR 5554 - To reduce temporarily the duty on golf club putter heads***
- ***HR 5555 - To reduce temporarily the duty on golf wedge club heads***
- ***HR 5556 - To suspend temporarily the duty on hybrid golf club heads***

AFS no longer opposes these bills and therefore, wishes to withdraw our earlier Statements of Opposition.

Feel free to contact us if the Committee has any questions regarding our position on these duty suspension/reduction bills.

Sincerely,
