

October 31, 2012

The Honorable Dave Camp
Chairman
House Committee on Ways & Means
1102 Longworth House Office Building
Washington, D.C. 20515

The Honorable Sander Levin
Ranking Member
House Committee on Ways & Means
1102 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Camp and Ranking Member Levin:

This letter is submitted on behalf of the American Foundry Society (AFS) in connection with our July 20, 2012 Statement of Opposition to the following pending duty suspension bill covering:

- ***HR 4627 - To extend and make a technical correction to the temporary suspension of duty on certain cast stainless steel single-piece exhaust gas manifolds***

AFS no longer opposes this bill and therefore, wishes to withdraw our earlier Statement of Opposition.

Feel free to contact us if the Committee has any questions regarding our position on this duty suspension/reduction bills.

Sincerely,

A handwritten signature in black ink that reads "Jerry Call". The signature is written in a cursive, slightly slanted style.

Jerry Call
Executive Vice President
American Foundry Society
