Part I: Type of Disclosure

This form is being submitted for H.R. 2813 as a disclosure submitted reflecting information provided through the MTB public comment period and the International Trade Commission's Congressional Bill Report. (All of this information is available on the Ways and Means Committee MTB website: <http://waysandmeans.house.gov/mtb/mtbbills.htm>.)

Part II: Written Statement

Member Name: Peter Welch

- A. Is the tariff relief specified in this Miscellaneous Tariff Bill available to any entity that imports and pays duties pursuant to this tariff heading? If not, why?

H.R. 2813 addresses an oversight in the U.S. tariff schedule whereby important tariff lines covering imported milk protein concentrates, casein and caseinates were not treated in a similar manner to other comparable dairy tariff lines such as those for milk powders. H.R. 2813 seeks to remedy this oversight in a trade-compliant matter through the use of U.S. GATT rights. The benefits of H.R. 2813 are not limited to a single entity and would be shared broadly by the U.S. dairy industry.

Please list any known entities currently importing under the tariff heading specified in the Miscellaneous Tariff Bill, including those listed in the Preliminary Disclosure Form, ITC Congressional Bill Report, and any public comments received by the Committee (posted on the Ways and Means Committee MTB website: <http://waysandmeans.house.gov/mtb/mtbbills.htm>):
