The Honorable Dave Camp
Chairman
Committee on Ways and Means
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Camp:

BISSELL Inc. is pleased to express our support for H.R. 4731, introduced by Rep. Bill Huizenga.

The legislation is a noncontroversial technical correction to clarify the tariff classification of deep cleaning carpet cleaners. Since the clarification is tariff-neutral, it does not have a revenue impact. We encourage you to include H.R. 4731 in the House Miscellaneous Tariff Bill.

Founded in 1876 by Anna and Melville Bissell in Grand Rapids, Michigan, BISSELL enjoys a long tradition of producing innovative cleaning tools at affordable prices. The company is still headquartered in Grand Rapids and continues to be run by a fourth-generation member of the Bissell family.

Thank you for the opportunity to comment.

Sincerely,
