RE: Miscellaneous Trade Bill

Dear Chairman Camp:

I am writing to express my opposition to H.R. 4819, legislation which would temporarily suspend the 4.9 percent duty on imports of certain sound-isolating earphones with multiple balanced armature speakers.

Sony Electronics Inc. manufactures a similar product which would be harmed by passage of this legislation, providing an unfair financial benefit to competitors.

Thank you in advance for your assistance.

Sincerely,

Michael T. Williams
