Re: Opposition to H.R. 4952

To Whom It May Concern:

On behalf of Eaton Corporation, I am writing to oppose H.R. 4952, which would suspend temporarily the import duty on gear boxes. Eaton currently produces and/or assembles gear boxes in the United States. As such, Eaton objects to the proposed tariff change.

Please do not hesitate to contact me at (216) 523-4198 or ChristopherDHess@Eaton.com if you have any further questions or if there is any more information that Eaton can provide.

Sincerely,

A handwritten signature in black ink that reads "Christopher D. Hess". The signature is written in a cursive style with a large, prominent "C" and "H".
