Subj.: MTB Comment Submission - Oppose H.R. 5485

To whom it may concern:

The National Textile Association opposes H.R.5485 providing for a suspension of the duty on certain narrow woven fabric. As written the bill would cover a wide range of narrow woven fabrics made in the United States for a variety of uses including apparel, medical, industrial, and home textiles.

Yours,

David Trumbull
Vice President, International Trade
