RE: Opposition to HR 5532

Dear Chairman Camp and Ranking Member Levin:

Milliken & Company is a highly diversified manufacturer of apparel and industrial fabric, floorcoverings and chemicals -- headquartered in Spartanburg, South Carolina.

I write to oppose HR 5532 (Woven fabrics of synthetic filament yarn, including woven fabrics obtained from materials of heading 5404: Other woven fabrics: Dyed: Other - provided for in subheading 5407.92.20) sponsored by Congressman Young of Indiana, because it would grant duty relief to fabrics currently made in the United States.

Milliken's Specialty Fabrics Division employs more than two thousand associates in South Carolina and Georgia who weave man-made fiber fabric, which is covered by this bill's description, for apparel and industrial markets.

Products under HR 5532, described above, compete directly with our products and thus we urge you to reject this provision from the final Miscellaneous Tariff Bill.

Thank you for the opportunity to comment on HR 5532.

Sincerely,

Katherine M. Dutilh
Manager, Government Relations
