Dear Mr. Barthold:

We are writing to request an estimate of the total amount of undistributed, non-previously-taxed post-1986 foreign earnings of foreign corporations, taking into account such earnings attributable to a 10-percent U.S. shareholder of such foreign corporation. We would like this information as of the most recent date for which such an estimate can be done.

If you have questions or need additional information, please contact Barbara Angus and Brandon Casey. We appreciate your attention to this matter.

Sincerely,

  
Kevin Brady  
Chairman
