SEC. 2. DISTRIBUTION OF ADDITIONAL RESIDENCY POSITIONS TO HELP COMBAT OPIOID CRISIS.

(a) In General.—Section 1886(h) of the Social Security Act (42 U.S.C. 1395ww(h)) is amended—

(1) in paragraph (4)(F)(i), by striking “paragraphs (7) and (8)” and inserting “paragraphs (7), (8), and (9)”;

(2) in paragraph (4)(H)(i), by striking “paragraphs (7) and (8)” and inserting “paragraphs (7), (8), and (9)”;

(3) in paragraph (7)(E), by inserting “paragraph (9),” after “paragraph (8),”; and

(4) by adding at the end the following new paragraph:

“(9) DISTRIBUTION OF ADDITIONAL RESIDENCY POSITIONS TO HELP COMBAT OPIOID CRISIS.—

“(A) ADDITIONAL RESIDENCY POSITIONS.—For each of fiscal years 2022 through 2026 (and succeeding fiscal years if the Secretary determines that there are additional full-time equivalent residency positions available to distribute under subparagraph (D)), the Secretary shall increase the otherwise applicable resident limit for each qualifying hospital that submits a timely application under this paragraph by such number as the Secretary may ap-
prove, effective for portions of cost reporting periods occurring on or after July 1 of the fiscal year of the increase. The aggregate number of additional full-time equivalent resident positions available for distribution under this paragraph shall be equal to 1000, distributed in accordance with the succeeding subparagraphs of this paragraph.

“(B) DISTRIBUTION FOR FISCAL YEAR 2022.—

“(i) IN GENERAL.—For fiscal year 2022, 500 of the positions described in subparagraph (A) may only be distributed to hospitals that have established (as of the date of the enactment of this paragraph) approved programs in addiction medicine, addiction psychiatry, or pain medicine, as determined by the Secretary.

“(ii) CONSIDERATIONS IN DISTRIBUTION.—The Secretary shall distribute additional residency positions under this subparagraph based on the demonstrated likelihood (as determined by the Secretary) of the hospital filling such positions.
“(iii) Requirements.—A hospital that receives an increase in the otherwise applicable resident limit under this subparagraph shall ensure, during the 5-year period beginning after the date of such increase, that the hospital uses the positions made available under this subparagraph for a program described in clause (i) or a program that is a prerequisite (as determined by the Secretary) for such a program so described, such as internal medicine. The Secretary may determine whether a hospital has met the requirements under this clause during such 5-year period in such manner and at such time as the Secretary determines appropriate, including at the end of such 5-year period.

“(iv) Redistribution of positions if hospital no longer meets certain requirements.—In the case in which the Secretary determines that a hospital described in clause (iii) does not meet the requirements of such clause, the Secretary shall—
“(I) reduce the otherwise applicable resident limit of the hospital by the amount by which such limit was increased under this subparagraph; and

“(II) provide for the distribution of positions attributable to such reduction in accordance with the requirements of this paragraph.

“(C) DISTRIBUTION FOR FISCAL YEARS 2023 THROUGH 2026.—

“(i) IN GENERAL.—For the period of fiscal years 2023 through 2026, 500 of the positions available for distribution under subparagraph (A) shall be distributed to hospitals which demonstrate to the Secretary that the hospital has established or will establish an approved residency training program in addiction medicine, addiction psychiatry, or pain medicine.

“(ii) CONSIDERATIONS IN DISTRIBUTION.—The Secretary shall distribute additional residency positions under this subparagraph based on the demonstrated likelihood, as determined by the Secretary, of
the hospital filling such positions within
the first 4 training years (as specified by
the Secretary) after the increase would be
effective.

“(iii) REQUIREMENTS.—A hospital
that receives an increase in the otherwise
applicable resident limit under this sub-
paragraph shall ensure, during the 5-year
period beginning after the date of such in-
crease, that the hospital uses the positions
made available under this subparagraph
for a program described in clause (i) or a
program that is a prerequisite (as deter-
mined by the Secretary) for such a pro-
gram so described, such as internal medi-
cine. The Secretary may determine wheth-
er a hospital has met the requirements
under this clause during such 5-year pe-
period in such manner and at such time as
the Secretary determines appropriate, in-
cluding at the end of such 5-year period.

“(iv) REDISTRIBUTION OF POSITIONS
IF HOSPITAL NO LONGER MEETS CERTAIN
REQUIREMENTS.—In the case where the
Secretary determines that a hospital de-
scribed in clause (iii) does not meet the requirements of such clause, the Secretary shall—

“(I) reduce the otherwise applicable resident limit of the hospital by the amount by which such limit was increased under this subparagraph; and

“(II) provide for the distribution of positions attributable to such reduction in accordance with the requirements of this paragraph.

“(D) DISTRIBUTION OF REMAINING POSITIONS.—If the aggregate number of positions distributed under subparagraphs (B) and (C) during the period of fiscal years 2022 through 2026 is less than 500, the Secretary shall distribute the remaining residency positions in succeeding fiscal years according to criteria consistent with this paragraph until such time as the aggregate amount of positions distributed under this paragraph is equal to 500.

“(E) LIMITATION.—An individual hospital may not receive more than 25 full-time-equivalent residency positions under this paragraph.
“(F) Notification.—The Secretary shall notify hospitals of the number of positions distributed to the hospital under this paragraph as a result on an increase in the otherwise applicable resident limit by January 1 of the fiscal year of the increase. Such increase shall be effective for portions of cost reporting periods beginning on or after July 1 of that fiscal year.

“(G) Application of per resident amounts for primary care and nonprimary care.—With respect to additional residency positions in a hospital attributable to the increase provided under this paragraph, the approved FTE per resident amounts are deemed to be equal to the hospital per resident amounts for primary care and nonprimary care computed under paragraph (2)(D) for that hospital.

“(H) Permitting facilities to apply aggregation rules.—The Secretary shall permit hospitals receiving additional residency positions attributable to the increase provided under this paragraph to, beginning in the fifth year after the effective date of such increase, apply such positions to the limitation amount under paragraph (4)(F) that may be aggre-
gated pursuant to paragraph (4)(H) among members of the same affiliated group.

“(I) CLARIFICATION.—Chapter 35 of title 44, United States Code, shall not apply to implementation of this paragraph.

“(J) DEFINITIONS.—In this paragraph:

“(i) OTHERWISE APPLICABLE RESIDENT LIMIT.—The term ‘otherwise applicable resident limit’ means, with respect to a hospital, the limit otherwise applicable under paragraph (4)(F)(i) on the resident level for the hospital determined without regard to this paragraph but taking into account paragraphs (7)(A), (7)(B), (8)(A), and (8)(B).

“(ii) RESIDENT LEVEL.—The term ‘resident level’ has the meaning given such term in paragraph (7)(C)(i).”.

(b) IME.—

(2) CONFORMING PROVISION.—Section 1886(d)(5)(B) of the Social Security Act (42 U.S.C. 1395ww(d)(5)(B)) is amended—

(A) by redesignating clause (x), as added by section 5505(b) of the Patient Protection and Affordable Care Act (Public Law 111–148), as clause (xi) and moving such clause 4ems to the left; and

(B) by adding after clause (xi), as redesignated by subparagraph (A), the following new clause:

“(xii) For discharges occurring on or after July 1, 2022, insofar as an additional payment amount under this subparagraph is attributable to resident positions distributed to a hospital under subsection (h)(9), the indirect teaching adjustment factor shall be computed in the same manner as provided under clause (ii) with respect to such resident positions.”.
