For purposes of this subsection, the open negotiation period, with respect to an item or service, is the 30-day period beginning on the date of initiation of the
negotiations with respect to such item or service.

“(B) EXCHANGE OF INFORMATION.—In carrying out negotiations initiated under subparagraph (A), with respect to an item or service described in such subparagraph furnished in a year, not later than the fifth business day of the open negotiation period described in such subparagraph with respect to such item or service—

The mediated dispute process
shall be initiated by a party pursuant to the previous sentence by submission to the other party and to the Secretary of a notification (containing such information as specified by the Secretary) and for purposes of this subsection, the date of initiation of such process shall be the date of such submission or such other date specified by the Secretary pursuant to regulations that is not later than the date of receipt of such notification by both the other party and the Secretary.

“(ii) provide notification of such selection to the provider or facility (as applicable) and the health plan party to such determination.

An entity selected pursuant to the previous sentence to make a determination described in such sentence shall be referred to in this subsection as the ‘selected independent entity’ with respect to such determination.

“(4) Treatment of consideration of multiple items and services.—

“(A) In general.—Not later than 5 days after receiving a notification described in paragraph (5)(A)(ii) from a selected independent entity with respect to the determination of a payment amount for a qualified mediated dispute item or service, the party to such determination whose offer submitted under paragraph (5)(B) was not selected by the entity shall pay to such entity a fee in compensation for the services of such entity in accordance with the guidelines on such compensation established by the Secretary under subparagraph (B).

“(B) Guidelines on compensation.—For purposes of subparagraph (A), the Secretary shall establish guidelines with respect to the compensation of a selected independent entity for the services of such entity with respect to determinations under the mediated dispute
