The Honorable Paul Ryan
Speaker of the House

The Honorable Nancy Pelosi
Office of the Democratic Leader
H-204 US Capitol
Washington, DC 20515

Dear Speaker Ryan and Democratic Leader Pelosi:

The National Council on Independent Living (NCIL) urges you to support a Congressional Review Act (CRA) resolution to disapprove the Final Rule issued by the Social Security Administration (SSA) on December 19, 2016, "Implementation of the NICS Improvement Amendments Act of 2007."¹ This rule would require the Social Security Administration to forward the names of all Social Security Disability Insurance (SSDI) and Supplemental Security Income (SSI) benefit recipients who use a representative payee to help manage their benefits due to a mental impairment to the National Instant Criminal Background Check System (NICS).

NCIL represents people with disabilities, Centers for Independent Living (CILs), Statewide Independent Living Councils (SILCs), and other organizations that advocate for the human and civil rights of people with disabilities throughout the country.

Prior to the issuance of the Final Rule, NCIL joined the CCD Rights Task Force to convey its opposition to the rule through a letter to [the Obama Administration](#) and through [the public comment process](#). We – and many other members of CCD -- opposed the rule for a number of reasons, including:

- The damaging message that may be sent by a SSA policy change, which focused on reporting individuals who receive assistance from representative payees in managing their benefits to the NICS gun database. The current public dialogue is replete with inaccurate stereotyping of people with mental disabilities as violent and dangerous, and there is a real concern that the kind of policy change encompassed by this rule will reinforce those unfounded assumptions.
- The absence of any data suggesting that there is any connection between the need for a representative payee to manage one's Social Security disability benefits and a propensity toward gun violence.
- The absence of any meaningful due process protections prior to the SSA's transmittal of names to the NICS database. Although the NICS Improvements Act of 2007 allows agencies to transmit the names of individuals who have been "adjudicated" to lack the capacity to manage their own affairs, SSA's process does not constitute an adjudication and does not include a finding that individuals are broadly unable to manage their own affairs.

Based on similar concerns, [the National Council on Disability](#), an independent federal agency charged with advising the President, Congress, and other federal agencies regarding disability policy, has urged Congress to use the Congressional Review Act to repeal this rule.

We urge Congress to act, through the CRA process, to disapprove this new rule and prevent the damage that it inflicts on the disability community.

We look forward to an opportunity to speak with you and your staff about our concerns. Please contact Kelly Buckland, Executive Director at kelly@ncil.org or 202-207-0334 ext. 1104 if you have any questions.

Respectfully,
