

Amend the Ways and Means Committee oversight plan by adding the following under matters under the Committee's Tax Jurisdiction:

Pursuant to Section 6103(f)(1) of the Internal Revenue Code, the Chairman of the Committee will submit a written request to the Secretary of the Treasury by March 1, 2017, for copies of the President's federal tax returns for the last ten years. These returns and all accompanying return information should then be made available for examination by bipartisan Committee staff, and additionally, in executive session, by all committee members. The Committee will review potential conflicts and violations of the emoluments clause, and potential entanglements with foreign governments and foreign state owned enterprises.
