

**Explanation of Changes Reflected in the Chairman's
Amendment in the Nature of a Substitute to
the Oversight and Authorization Plan for 119th Congress**

January 13, 2025

The Chairman's amendment in the nature of a substitute includes the following changes to the Oversight and Authorization Plan for the 119th Congress (page references are to the Oversight and Authorization Plan letter as introduced):

1. List of Authorizations: Insert the following after Matters under the Committee's Trade Jurisdiction, at the end of page 8:

Authorization of Programs within the Jurisdiction of the Committee on Ways and Means

The Committee's review of authorizations within its jurisdiction will include, but not be limited to, the following programs:

- Work incentives planning and assistance program, \$23 million.
- State grants for work incentives assistance, \$10 million.
- Title IV-A of SSA, Temporary Assistance for Needy Families (mandatory): authorized at \$16.4 billion.
- Title IV-E of SSA, Adoption Incentive and Legal Guardianship Payment to States (discretionary): authorized at \$43 million.
