House Committee on Ways and Means Chairman Jason Smith (MO-08), Health Subcommittee Chairman Vern Buchanan (FL-16), and Oversight Subcommittee Chairman David Schweikert (AZ-01) announced today that the Subcommittees on Health and Oversight will hold a joint hearing to examine lessons learned after more than two decades of the modern Medicare Advantage (MA) program, the challenges and opportunities associated with the rapid growth in MA enrollment, and targeted improvements that allow MA to continue facilitating quality outcomes for beneficiaries and value for taxpayers. The hearing will take place on **Tuesday, July 22, 2025, at 2:00 PM in 1100 Longworth House Office Building.**

Members of the public may view the hearing via live webcast available at <https://waysandmeans.house.gov>. The webcast will not be available until the hearing starts.

In view of the limited time available to hear the witnesses, oral testimony at this hearing will be from invited witnesses only. However, any individual or organization not scheduled for an oral appearance may submit a written statement for consideration by the Committee and for inclusion in the printed record of the hearing.
